POWDER

Absolutely Pure

The official Government tests show Royal Baking Powder to be an absolutely pure and healthful grape cream of tartar baking powder, and care should be taken to prevent the substitution of any other brand in its place.

With no other agent can biscuit, cake and hot-breads be made so pure, healthful and delicious.

Royal Baking Powder costs only a fair price per pound, and is cheaper and better at its price than any other baking powder in the world. It makes pure, clean, healthful food.

OST Clothiers never say a word about the fabrics from which clothes are made, other than "they are all wool." Naturally at any first class shop you expect to obtain "all wool." But, won't it interest you to learn about colors and patterns?

The fabrics from which "Griffon Clothes" are made are the smartest of weaves from the best-known mills in the world. In color, they range from plain blacks and blues to the popular browns, pleasing grays and stunning tans. There are small checks, large overplaids, herringbone stripes and fancy stripes, very beautiful, but of no decided pattern.

Then, reinforcing every fabric is the quality, the all wool part. "Griffon Clothes" will please you, because of their fabric and style. "Griffon Clothes" are

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the inernal. The one is for your pride in yourself; the other for your life and yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.
